Phrasal verbs are common in both spoken and written English, so we should practise them as often as possible. This lesson focuses on phrasal verbs using the verb get as an example.

**Phrasal Verb Example:**

- **Verb:** get
- **Preposition:** up
- **Adverb:** used

**Example Sentence:**

- “I got up late this morning.”

**Meaning:**

The phrasal verb “get up” in this sentence means to rise from a lying or sitting position. The verb “get” is combined with the preposition “up” to convey the idea of rising from a lower position to a standing position. This phrase is commonly used in everyday conversations to express the act of waking up or standing up.

**Usage:**

Phrasal verbs are idiomatic expressions that consist of a verb and one or more prepositions or adverbs, which together convey a specific meaning. Practicing these verbs is crucial for improving fluency and understanding in spoken English. For instance, phrasal verbs like “run out of” (to exhaust something), “turn up” (to arrive or be present), and “look for” (to search for something) are commonly used and can add variety and color to everyday conversations.

**Practice:**

1. **Create Sentences:** Create your own sentences using different phrasal verbs you have learned, focusing on the meaning and context in which they are used.
2. **Write Essays:** Write essays or stories incorporating phrasal verbs to improve your writing skills.
3. **Record Conversations:** Record everyday conversations and practice identifying and understanding the phrasal verbs used.

By mastering phrasal verbs, you will enhance your understanding and usage of English in both spoken and written forms, making your communication more natural and effective.
meanings, phrasal verb definition a phrasal verb is made up of a verb and an adverbial or a prepositional particle it is used idiomatically to convey a special meaning completely different from the
